“Gone but Not Forgotten Dedicated To Dawn You were so full of life, Always smiling and carefree, Life loved you being a part of it, And I loved you being a part of me. You could make anyone laugh, If they were having a bad day, No matter how sad we were, You could take the hurt away. Nothing could ever stop you, Or even make you fall, You were ready to take on the world, Ready to do it all. We didn't see this coming, It hit us by surprise, And when you left this world, A small part of all of us died. No one can ever to take your place, No matter what we do. Even though your leaving us has made us very blue, I know everyday for the rest of our life's, We will all be missing you. My heart and prayers go out to you! Love Jennifer and Family
