“ My heart goes out to you Jeffrey... Your precious wife is now in Heaven sharing stories with uncle Mike and telling Tina and Douglas about all the crazy stuff Mikey gets into. She gets to brag to your dad about how well you are doing and that he'd be so proud of you. We have one more angel looking down on us....Love you

“ I feel so blessed that I got to know Dawn, from working with Jeff. She loved all of you, especially you Jeff. I always told her that she was so lucky to have someone to love her, even when times got rough! Micheal and Brook, she loved you guys so much too! She taught both of you not to judge people by the color of their skin, but by the way you wanted to be treated. With so much hate in this world, she did it! That's something I hope none of us will forget. She loved people for people! She taught me that no matter how bad the problem was you could always find something good to take from it. Isn't that something? Jeff, Micheal, Brooke and the rest of the family you will always be in my prayer's. I was her black sister girrrr!!!Ha! Ha! Dawn I will miss u so much!!
