“ So very sorry for all our family as we grieve the passing of my dear cousin. After my dad passed in TN & her mom & dad traveled back to IN after his funeral, Debbie called me the next morning to tell me her mom, Thelma, had died that night & we were in such shock & disbelief, we just grieved together. She was always a special part of our family & will be greatly missed. (Lois)

“ *Tim and Family,
Please know that we are lifting you all in prayer during this difficult time of grieving. We will miss Debbie's laugh and her love for us. She kept in contact with us after we moved to Florida and carried us in her prayers as we navigated the flooding in our home due to Hurricane Ian. She checked in with us at least once a month. She loved us and prayed for us during our difficult time with the hurricane. Now it is our time to lift you up and pray for healing. We will miss our Debbie. Love you all, Keith and Teri Bailey*

“ *Debbie I will miss not hearing your voice again. Our conversations over the years have been special. We had so many memories together. Starting with Mr Pierce’ General business class, you me Linda and Carolyn. Oh I’m sure he wished we could contain ourselves; band camp (so much fun); ball games and then graduation. On our way to the houseboat at Cicero stopping by the grocery and you introduced me to the love of you life. Tim, you are a good and Godly man. Thank you for loving my friend. Eric, Brice and Alyssa, I am profoundly sorry for your loss. My deepest sympathies to you. Hug your spouses and children tonight. Hold them close.*

Sincerely, Diana
