“ Alice I'm so sorry to hear about Debbie I just got her obit in the mail today from my aunt We was always together at her house or mine I loved her very much we had alot of good times together that i will never forget. She was one of my best freinds ever. One of my fondest memories was when we took Jim\'s car without permission to go to the mall and he comes out of the house screaming at us and Debbie just laughs and drives off. She was so much fun My grandma an grandpa loved her too. I just wished we would have stayed in touch I am truely sorry for your loss and my thought and prayers are with you Diane Hummel Sidwell

“ Alice, keep remembering the good times at Richards. I certainly will! Two of my fondest memories were how Debbie would write about the daily lunch special in rhyme on a whiteboard using colorful markers and how she gave you the handle of Number One for getting your attention at work.
