“ As a nurse who cared for Della, at Miller's, she never ceased to amaze me with her sheer determination and love of life. She was truly a wonderful person and an enormous inspiration to me.

“ The world lost a truly loving person when my Aunt Della went to the Lord. I have very fond memories of her making goodies creating wonderful aromas throughout her house. I loved her singing canaries in the back room. As a child, visiting her was almost magical to me! Rest your weary head in the arms of Jesus Aunt Della and one day I will be there too and I'm counting on you to make me a Santa Claus cinnamon apple with gum drop eyes and a clove mouth. Love, your niece Brenda
