“ To The LeMond family -- we just heard about Della's passing. We are so saddened to hear this news today and remember her as such a fun-loving person. Della or Mrs. MaLond, as most young ones called her was Megan's pre-k teacher at Liberty Christian School. She and Mrs. Hudson were such an awesome team. We are sorry for your loss but are confident we will see her again!!
Much Love, Molly, Rachel, Megan and Lindsay Wisheart in Charlotte, NC

“ To Della's family, our deepest sympathies for the loss of your dear sweet Della. We met her when she had our sons in class at Liberty. They adored her! As did we all, her smile & spirit could light up a room. She was someone I admired and loved, and how I regret that we lost touch! We know Jesus took home one of the best to celebrate His birthday this year. Her spirit will shine brightly in Heaven as it did here on earth, she was already an angel. May God keep you all close to Him during this difficult time. With love & prayers, Terry, Kelly, Tyler & Jordan Bragg

“ *Al, Korey, and Kody - We shared prayer on the beach last evening for Della, her family and friends. God now has this delightful and wonderful angel named Della in His arms. The sunset on the ocean was so much richer for last night as I Lisa thought about all the wonderful love & laughter she shared with my daughters Kate & Annaliese and our family. What my daughters learned from her at Liberty & from our friendship affects them daily & will for a lifetime...thank you & God's Blessings. The Hillman Family*

“ *Was so saddened to see Della's obit in the Somerset newspaper. I attended school with Della and remember her as always fun loving and forever smiling. As so often happens, life took us in seperate directions but I often wondered where life had taken her. From what I have read, Della had a wonderful life. My condolences to her family and friends.*

“ I first met Della her husband and two sons when I was around the age of 4 when my dad took me to Valley Grove Church for the first time. I became close friends with her sons and I automatically clung to Della for laughter and encouragement. I will always remember her uplifting spirit and faith and count it pure joy and an honor I've known her almost all my life. I love you Della, Al, Korey and Kody. Praying for you all.

“ To Della's husand and family. I first met Della towards the end of 2010. I had taken a friend for her radiation treatment and we all got to talking. What a beautiful woman, both physically and spiritually! As I read her emails, she lifted my spirits! What a tremendous faith! God must have needed a special angel that day of Dec, 13th. May the love and peace of Almighty God be with you All in the days ahead. Ena

“ Kody, from Austin Weaver's family, we are saddened by the loss of your Mom. She raised two beautiful sons and we are grateful for the role model that you showed to Austin at Wabash College. Although I never directly met your Mom at a Wabash football game, I now realize that we went to Jackson Elementary school together and rode the bus together. Even at a young age, I knew your Mom was special. Our thoughts and prayers are with your family.
