“ *Chris and Dennis,*

A mother's love does not end at death. It lives on in you and how you carry that love forward to your loved ones. Please take comfort in the extraordinary effort by both of you to care for her in these many months of decline. It clearly demonstrates the exceptional love that she imparted to you. You and your families are in my thoughts.

I never had 2 Moms, but the closest I ever came was your Mom. She seemed to smile nearly all of the time and I never felt anything but welcome when I was around her. She is one of my fondest childhood memories. My best to Dennis and Chris.
