“ Uncle Carl, Linda, Henry, Becky, Travis and all. I was so sorry to hear that Aunt Delza Aunt Daydoe to me : had passed. I have always thought a lot of her. I remember calling her not long after Daddy died because I needed someone to talk to and she came right over and was there for me. I also remember how much she loved the dog that Courtney and I gave her. She spoiled that dog rotten !!! She was a very kind and loving person and I will always remember her that way. I am sorry that we could not all be together at this time. I will never forget how much it meant to me to have all of you there when Mother passed. It has almost been a year now but it still seems like it just happened. I will keep all of you in my thoughts and prayers Love Joyce
