“ Vicky; I cannot begin to express my sadness for your loss. You are a beautiful person who has endured much and to lose Denny reminds me of your gentle spirit but strong will. Knowing you are never alone, and this earthly shackle we all call our lives is only temporary. I hope you know that many people love you and cared for you and Denny- he will be missed, appreciated and remembered fondly. With love; Your childhood friend; Stephen

“ Vicky- I am not sure if you remember me or not but I graduated with you and Denny from H.H.S. I wanted to extend my deepest sympathy to you and your family during this time. Denny was a really sweet and friendly guy. I can remember him attending a birthday party of mine when I was 13, doing alittle break dancing at it just like it was yesterday. Once again I am truly sorry for your loss.
