“ I was just thinking of Denny, googled him only to discover of his passing. I saw the press release from uncw. Denny and I were good friends in college @uncw! He was a crazy and wild guy! We had so many laughs and escapades!. And endless basketball! He was so good at it, the locals couldn't believe it. How that big white guy could shoot the eyes out of that rock! It saddened me to hear of his passing. Even though 3 years have passed. He left an indelible stamp with me from our college years.

“ My thoughts and prayers to Tim's and Denny's family. I'm sure he's playing some hoops right now. I have many fond memories of playing basketball with the both of you. I can even remember watching Denny and Tim playing wiffle ball at your house next to main street. Great memories. I apologize I could not make it to the visitation. Love and Peace Randie Pettigrew

“ *Heaven is richer for having Denny there. A great guy, great sense of humor and he cared deeply for those he called family and friends. He will be missed here on earth.*

“ *So sorry to hear about Denny's death. I have so many fond memories of him and the huge presence he demanded just walking into a room. I am praying for the family. I wish I could pay my respects in person, but unfortunately I won't be able to make the trip to IN at this time. God Bless!*
