*“ Wanda , I went to my knees crying when I heard. You're not alone. I wish I had words of comfort for you. But I do know your pain, the hysterical numbness, the rage, the pain, the loss. You spoke about Derek a lot , maybe if there is really a heaven, Derek and Blake will be friends. No one knows better then I do, how much this hurts, Please call me ANYTIME I'll help in anyway I can. Do whatever it takes to get through the day, I'd say stay strong, but that's impossible to do. But I do know some ways to help. I luv ya, Margaret*
