“ So sorry for your loss. She made a lot of friends who cared about her. I was lucky, I got to talk with her about two weeks before this happened. Her golf game was a riot...great sense of humor! The shot into a tree that came back and split her lip won't soon leave my memory. She certainly didn't spend her time complaining. She will be missed.

“ Tom: Please accept my deepest, heartfelt sympathy on the passing of Dianne. She was a beautiful wonderful, and gracious person who was loved by all who know her. We grew up in the Bock Addition "Hood" together and went to both Roosevelt and Madison Heights together. I always loved to see and talk to her not only at Killbuck but also at Bethany Pointe. Both of our mothers were there together for a while. They also knew each other from childhood throughout life. My thoughts and prayers are with you and your family at this most difficult time. May God be with you. Steve Ruh
