“ *Sissy, I miss you already. You were such a huge part of my every day! I would call you or you would call me, every day. We would talk about your laps around the pond, what you ate for meals, and if you walked all the way to your room without stopping. I am so proud of you for so many reasons. You were a great sister and I am proud to be your sister. Until we meet again, I love you!!!*
