“ I have never been to a service that involved a Hofer family member where Don was not present. Someone once said: "A belly laugh is good for the soul." Don always supplied 'food for the soul' in times of grief. Thank you Don. Mike and Miriam Hofer

“ I am saddened to lose my Uncle Don and send along my love and sympathy to my Aunt Vera, cousins Bucky, Rex and Greg and their families. Having experienced the loss of my own father, I can empathize with what they are all now feeling. Don was always a pleasure to be around and I have the fondest memories of many wonderful family events, especially from my childhood, when our two families often spent New Year's Eve together and all of the children would go outside to bang pots and pans and welcome the New Year, a tradition I now continue with my daughters and an event that always brings to mind those frosty nights of long ago. Don was a man who never failed to see the humor in life, always ready with a joke or a quip. He could also laugh at himself, a quality that I know endeared him to many. Cheri, Sloane, Morgan and I regret that we cannot be with you personally at this time, but please know that we are thinking of all of you and sending our best very wishes for comfort at this difficult time.
