“ Don was the type of person who could light up a room when he walked in with his big smile for all those around him. He loved life but most importantly he loved his family, that was his life! It is so hard to believe you are gone. The only comfort is to know, you are now home with our Lord and your beloved wife Sandy and family. You will greatly be missed dearest Don and all our love to Mike, Kim and Tina and their children.  
Sincerely, Steve & Diane

“ My papaw was a character. He was an amazing papaw. He taught me life lessons and would help anyone He knew or didn't know. He lived for his family and yard sales lol. He is greatly missed and was loved emmensly. He always had a smile on and was one of the best men I've ever met. He laughed and made people laugh until he passed. He was surrounded with loved ones and just one of a kind. Love you papaw  
Life won't be the same knowing you're gone, but at least at youre at peace 💕💕
