“ *I knew Don in High School but became fast friends working with him at an Electrical Business in 1984. I loved to camp, fish and hang out with him watching football on many many Sundays. He was like the brother I never had. I will deeply miss you buddy.*

“ *I met Don in 1978 at Southside Middle School, and always considered him both a great dude and a good friend. He always wore a bemused grin, and usually had a funny remark to share. I remember we skipped school a few times in high school and spent those days fishing and laughing at the "less fortunate students back in class." I hope he's found peace, as well as those who called him a friend will, also. He will be missed!*

Don - Thank you for the smiles and laughs from school. I will remember those always. Thank you for the kindness and support you gave to my daughter when she needed it the most. Your thoughtful and kind note will be treasured forever. RIP Don and keep that snicker you always had.
