“ It is with sadness that we are notified of the passing of Donald Cook. Donald was a member of the Alexandria Conservation & Gun Club, Inc. Don helped our club with grants and grant money from the Friends of the NRA. It is with a heavy heart when our club loses a member of Don's stature. As much as Don was loved here on earth Jesus loved him even more. From the Alexandria Conservation & Gun Club to the family and friends you have our deepest sympathy.

“ We were shocked and saddened to learn of Don's passing. I have many memories of Don, from our meeting in high-school, through our military service, his introducing me to my wife, and many other memories. Don was passionate about life. Whatever his project or interest, he became totally involved and knowledgeable. To have Don for a friend meant you had a friend for life. I always felt, regardless of distance or lapse of time, he would be there when needed. Don was what is known as 'a good guy'. He will be missed by many. Don & Jayne Crouch

“ Don was a dear, dear friend who became a mentor to me after my dad died. He and Jo were wonderful to me! They always had time to lend an ear, offer advice, share a laugh, give a hug. Don's death is a great personal loss to me, even though distance kept us apart much of the time. I'm going to miss being able to pick up the phone and talk something over with him or meet him on a visit back to Anderson. Jo, you know Don had a strong faith and is happy and well waiting for you in heaven. You are the one who has to bear the burden of his absence. I pray God's peace and love and comfort in the days to come. Know that there are many of us who loved Don and love you and are holding you up to God in prayer.

“ Jo, Don was the first person I met in Indiana. He made an impression on me from that moment on. I am extremely proud to call you both my friends. Don's not gone, he's being rewarded for setting an example for us all to follow.

“ Don was full of surprises and again he surprised us all! I feel any words will be inadequate to honor such a great man and friend to my family and many others throughout Indiana. He was a man of many passions and shared these with all those he came in contact with, most importantly the next generation, through his support of the Friends of the NRA. It was disheartening to share this news with John away at Ft. Bliss preparing to go to Iraq. I am grateful for the fond memories we will have of Don when we last saw him in January. Don and Jo have opened their home and their hearts to us over the years leaving special memories never to be forgotten. The world was definitely a better place while Don was with us. The Cronos are deeply saddened for the loss of such a great man but without any reservation we know he is with his heavenly father smiling down on us all, watching, and cheering us on as we continue to carry on his legacy.
