“ *I remember the family gatherings when the Gernand siblings got together . Kenny , Orville (Doc), Donna, Lola, Avis, and Don showed us their eagerness to see each other and their love for each other. My father, Fred, said that one of his closest friends and confidants was Don. He was a special, sweet, cheerful presence in all of our lives.*

He continued the sweet energy of my mother, Lola May Gernand-Keesling and that of the entire Gernand family. He will be truely missed in this life..*
