“ Rachel and Sandy, I was so sorry to hear that Don had passed away. He was a fine man of hard work and integrity. I feel blessed to have got to know him. I sure enjoyed our long talks of the history of our area. We also spent alot of time on tractors and farming. Don and his generation are as far as I'm concerned, made this country the great place it is today. A true blessing to have known him. Rachel, if you ever need any thing I'm just up the road. God bless you.
