“ I have known Scott for many years. When he lived in Muncie on Luick Av. I lived 1 block away on Ribble. Scott & I used to be real good buddies and were always on our bikes getting in to some kind of trouble. Nothing too bad though. I can still remember when Scott returned from the Navy and he came to see me and we sat for several hours talking & laughing about our younger years. What a great memory for me to cherish. I have many fond memories of Scott & wish that I could have been more a part of his life these past few years. I will truly miss my old friend.

“ I first met Scott as a patient in my office, but he became much more than that. He became a good friend. Scott had such a gentle heart, and a soft spoken way about him. I was so shocked and saddened to hear of his passing. I will truly miss this big, sweet guy. Gary
