“ Don tasked me with helping fix breakfast (which he didn't let just anyone help) during our Kentucky lake fishing trip, so I was proud to be entrusted to assist. He was one of the first people in the class club to make me feel like a welcomed member. The time we spent “jamming” out to his 50's music while making breakfast will be one of my most treasured memories of Don. A plethora of great memories with Don will forever be a part of me, and for that I am eternally grateful! Don was to me a great friend to me!

To his family,
My thoughts and prayers go out to you. He will be missed!
