Zack, I will love and miss you everyday of my life that's ahead of me. I pray for all 3 of your children to be well and happy. As for Holly and I we'll never forget that you were our guy! And will always remain so. There are no words to describe how much I feel. I miss you everyday! You are unforgettable, not only by me but by many of us still and I hope you and Amber are together in Heaven, she never stopped loving you. None of us have!💕💕💕💕💕

“ I miss my son more than anyone can imagine unless they have lost a child as well. Many have, My heart goes out to each and every one. Only they can understand the broken place inside me. I'll never stop loving and missing him. V. Holland

“ IF TOMORROW STARS WITHOUT ME

*If tomorrow starts without me, And I'm not
there to see,*

If the sun should rise and find your eyes All filled with tears for me;

I wish so much you wouldn't cry The way you did today,

While thinking of the many things, We didn't get to say.

I know how much you love me, As much as I love you,

And each time that you think of me, I know you'll miss me too;

But when tomorrow starts without me, Please try to understand,

That an angel came and called my name, And took me by the hand,

And said my place was ready, In heaven far above,

And that I'd have to leave behind All those I dearly love.

But as I turned to walk away, A tear fell from my eye,

For all my life, I'd always thought, I didn't want to die.

I had so much to live for, So much left yet to do,

It seemed almost impossible, That I was leaving you.

I thought of all the yesterdays, The good ones and the bad.

I thought of all that we shared, And all the fun we had.

If I could relive yesterday, Just even for a while,

I'd say good-bye and kiss you And maybe see you smile.

But then I fully realized, That this could never be,

For emptiness and memories. Would take the place of me.

And when I thought of worldly things, I might miss some tomorrow,

I thought of you, and when I did, My heart was filled with sorrow.

But when I walked through heaven's gates, I felt so much at home.

When God looked down and smiled at me, From His great golden throne,

He said, "This is eternity, And all I've promised you."

Today your life on earth is past, But here life starts anew.

I promise no tomorrow, But today will always last,

And since each day is the same way, There's no longing for the past.

So when tomorrow starts without me, Don't think we're far apart,

For every time you think of me, I'm right here in your heart.

“ My favorite memory of Zach was a few weeks after my sister Hollie died and he told me with tears in his eyes that he loved my sister and he would miss her dearly! That day I saw a side to him I had never saw before and he asked me if I needed anything at all he was there and for that I'm here for your family! Zach's whole family I love like my own and Zach like a big brother although I haven't saw him in years I still feel the same way I did as a little girl telling Donatte I was gonna marry Zach when I got older! It never happened but I'm devastated by this and my heart is with the Zachary family at this terrible time!
