“ Kenny, Russ & Ralph I'm so sorry I wasn't able to get to the services for your mom. I didn't learn of her passing until Friday morning and was going to try to get there, but things got busy at work and the time had come & gone before I knew it. Your mom is one of the sweetest people I've ever known. I'm glad I at least got to have a couple of visits with her at Rawlins when we delivered sorority cheer plates. I have such great memories of her & my mom visiting at the fence and all the many days we spent playing in your back yard ... the tractor tire sand box & the apple tree that was so great for climbing! Who knows. Maybe our moms are visiting again now! Thinking of all of you with love. "Ollie-Ollie"
