“ Greg and Thomas, So sorry to hear of the loss of Donna, my step sister. I wish I could have spent some time with her in her later years. We all took different journeys after we left home and our paths never seemed to cross again. Knowing you took such great care of her is truly a blessing.

“ Hello, I am very sad to hear about Donna's death. Donna and I went to high school together and were very good friends then. Like many of us, we lost contact after graduation. She was a fun person to be with and we shared a lot of good times. Again, please accept my condolences and I hope your fond memories will help during this difficult time.

“ My heart goes out to Greg who saw Donna through so many health issues with his love, support, and being her soul mate. I'm sure his love for her enabled her to be so upbeat, no matter what the circumstance. She died much too young and I regret, as an absentee sister, being more a part of her life.

“ Greg - It's been such a long time since we have seen each other but, I can't tell you how sad it was to hear of Donna's passing. Please know my thoughts and prayers are with you. It's also amazing how a sad situation like this brings back so many fun times and great memories. I guess that's what life should be about! I don't know the circumstances but sounds like Donna was taken way too early - Please take care and if you have time contact me on the e-mail above. Condolences, Steve
