“ *I just wanted to tell you all, that you mother was always kind, patient, and loving example to me and my family. I remember when it was time to clean the house and you would all start singing, I loved to hear you. And do you remember the tomato sandwiches we used to make? Donna was also a good friend to my mom. All of you are in our prayers, we send our love, Love & Neil, Maryland, Kirby and the rest of the family*
