“ I remember back in the day, Mike and the family built race cars for themselves and my Uncle Darwin Blankenship. I believe they won two National Crowns with my Uncle. They all were a good family and my Uncle loved them. RIP Mike...Michael Delk

“ So very sorry for your loss. Mike was one of favorite customers at MoFab. He always had a story, a minute or two to talk about the race cars or what was happening at Owens, or something just to make you laugh.
