“Dad Chambers, Lon Lon, Robbie I'm so sorry for you lost. I wish I could help or take some of your pain. As I sit here I can't stop the tears. It's such a mixture tears of emptiness and tears of joy because I know Jesus holds her in his arms. Daddy will take care of her until we join her. She was all ways there with a wonderful hug anytime I saw her no matter how much time had pasted. You know one thing she is laughing about is I NEVER knew her real name it was always Mom Chambers. If there is anything I can do house sit, bring something over, or just a hug anytime day or night, please call. I love you all very, very much. Little Bear & Steve
