“ I worked in the office at Americana Health Care now Manor Care when your grandmother Doakie was living there. I remember your mother coming in often to visit. I loved them both, such wonderfully positive people to be around. May you also have many great memories of your mother & grandmother. Betty Crum

“ So sorry to hear of Doris' passing. She was a great lady and will be greatly missed. I remember her teaching me the piano and those wonderful poached eggs she made for me. She always had a smile on her face and loved everyone. She is where she wanted to be and is no longer suffering. I saw her recently at the nursing home. She will be missed and was loved by all who knew her. Sincerely,
