“ Today I said "good-bye" to my Aunt Doris... a kind & gentle lady. She endured many trials in her life, always with a quite strenght & dignity Aunt Doris displayed her love for the Lord daily...if you met her you knew she loved the Lord...Aunt Doris had a warm smile & was always eager to see you....you felt happy being around her...Aunt Doris recently told her care giver an angel named Fern that the Lord said "Doris I have your room ready!" Aunt Doris was so happy say Jesus talked to her.... We will miss you so much... now its time for you to be out of pain & rejoice with your loved ones you've missed so much....I love you....

“ Every relative is precious to me - Aunt Doris enriched the lives of my brother & sisters, my father, dear Olive & my extended family greatly. The stories they share of her have inspired a new generation, as I share these with my own children. May we all be so blessed, to lives lives of such richness that our legacy touches those we have never met. I'll remember you, Doris - much love & comfort to all who miss you.
