“ Nancy, when I returned to work I learned of your mother's passing. I am so sorry. I remember, as a child, how truly wonderful she was. She was so kind and always made me feel at home. I am sorry also for missing you and Jerry. I would love to have seen you. Please accept my condolences. Donna

“ I just heard about Doris today in an email from a friend. We loved this woman and she and I stayed in touch over the years. No one was more loving and caring than our"ol" Doris. This leaves an empty space in our hearts. The world has lost a good woman. Go with God, Doris....
