“ Dr. Harrison & Family, What loving memories we will always have of your beloved Dot. When she entered the room it would always light up. I remember that she would radiate when she spoke of her children & grandchildren. Several times she would join the Dr., my Father and myself for lunch at the coin shop. We'd have the Burger King Special and I'd run back to work. What a wonderful thing to say, "We'll only have fond memories of Dot." Claudia Carter Keele
