“ *Elsie Wow it took me awhile to figure out Dorothy was gone. When I didn't see you for awhile. I looked at the name on the door and Dorothy was gone.. So I asked Amber and she told me. I never expected her to go so fast. I miss seeing you at Bethany but stay away as long as you can. ByVonda*

“ *I want you to know that you are in our prayers at this time. I know you will miss Dorothy but we all know she is at peace with the Lord and we will see her someday. What a glorious reunion that will be. Elsie please continue to be strong like you have been. I have many fond memories of Dorothy. She was the monarch of the neighborhood. Always steadfast with many stories to tell of her life. She was a true pleasure to be around. She will be missed.*
