“ Maxine was one of the greatest women that I got to know in my life. As a child I learned to love her. I will never forget her taking me to church and spending weeks with her and Roger. All of the ice cream cones I too will miss. Diane, and Roger, my condolences to you and your family. She was my God Mother who I loved with all of my heart. I knew that if anything happened to my parents she would be my mother to raise me. God sent she was. To everyone who knew her, my condolences. She I'm sure will miss you too. I will miss her on our birthday this year. March 02. I will hold our fondest memories in my heart as of course you will to. Maxine we will miss you greatly. Love, your God daughter.

“ *Maxine was a wonderful friend/grandmother to me. In good times and in bad times she was there for me. She accepted everybody the way that they were and loved them not always agreeing with them but never turning her back even when times got hard for her. She always kept her chin held high always looking at life in a positive way. I will never forget her. In the words of grandma I say to her Loveyaseeyoulater. God bless all of her loved ones left behind.*
Sincerely, Carl Thompson
