“ To the Family of Dorothy Williams: Please accept my sincere condolences on your loss. It's so unfair that death has the power to take our loved ones, but the Bible has a wonderful hope for the future. Jesus made a promise found at John 5:28,29 which says, "...all those in the memorial tombs will hear his voice and come out..." It's wonderful to know that Jesus has the power to resurrect ones who have died. I hope that this promise will bring a measure of comfort and hope to you and your family during this difficult time.

“ Word?s can never erase the pain that Grandma Dorothy?s family if feeling today. I can only share the warm feeling I have whenever I think of her, and how she always treated me as one of her own. Grandma Dorothy always made me feel welcomed in her home, and I will never forget her for that. I still to this day curl up in the quilt she made for me, and still think of her quite often. I will someday pass this quilt on to my daughter, and when I do I will tell her about the great woman Grandma Dorothy was. God Bless each and everyone of the family members during this painful time. Love Max
