“ To all the family and friend that were able to attend. We would like to extend our deepest regret that we could not attend. Jr. influenced us all in so many ways. I will always remember going up to the Wabash River with Dad and Dorsey, and fishing all night. And how we all loved to listen to him sing and play. I will always treasure these memories and so many more! Our thought are with you all, as the loss was great, to you and us. Just glad that he had been a part of our lives, and that you shared him with us. Love to you all! Brad & Roberta Maddox & Kids
