“ Mom, No words can possibly describe how much I will forever miss you! I love you so very much! You were a wonderful mom! I only hope I can be even a little bit like you in raising and loving my family. You and dad taught us the most important things in life-to love God, Country, family, others-what a legacy you both have left us. Thank God for parents like you!! know you\'re in a much better place with dad and he waited a long time for you --- I pray all our family will join you some day--I\'ll do all in my power to live right and to teach as many as I can! Rest in peace--you both deserve it ! Love Forever,Linda

“ Who could ever meet this sweet lady and not love her. My daughter has loved her as her "Memaw" through marriage to a grandson, Marc Wiles and Memaw loved her as one of her own also. Such a big heart for such a small lady; she will be sadly missed.

“ To the Zachary Family: In Dorothy, I could not have asked for a better friend. The memories are great, but she gave me a part of herself also. She accepted me as I was, yet spoke God's truth with boldness and love. She made an impression on me, because her life was a living example of what she believed, for she loved God, and wanted me to love Him also. I was not the only recipient of Dorothy's unconditional love and friendship. Dorothy shared these traits with everyone she met...stranger, acquaintances, friends, and her own family. My heart goes out to her family at this time, for I know that you miss her deeply. A mother... a Memaw... is a hard thing to lose. May the memories that you have with her comfort you and encourage you. As you grieve, may God strengthen you and bring you peace. My love to all of you.
