“ I worked with Doug for many years. He was always trying to make you laugh. He had a very distinctive laugh and you had to laugh when you heard it. I always liked talking to him, he always told it the way it was. He was a truthful man. He was on my line for awhile, so I worked beside him quite a bit. He was a hard working man. So sorry for the ones he left behind. So long my friend, work days are done. Rest in peace. Sorry to the family, that this is late. I didn't know until today about the arrangements. Carol R Smith

“ I worked with Doug at Keihin, he was a joy to work with. Every day when you saw him, he would always ask how your were doing. He didn't know a stranger. Just a super nice guy. He will be missed by his Keihin family deeply. Sorry for your loss
