“ It hasn't been that long, but I do miss my Brother Doug a lot. He would call to check up on us and see how things are going. We would talk about his girls and life in general. Of course he would fill us in on how is Mom doing and all. Share some jokes and say we all need to get together again! Dam I Miss you Doug!!

“ Terri, I know how much you are hurting and I wish there was something I could do to ease your pain. Doug was such a good guy. You were very blessed to have him and to love him. You need to always hold on to your memories of your date on Sunday and when things seem overwhelming just look at your left hand and remember he put that beautiful ring on your finger. Love you, Beth

“ My heart just aches for the entire family. A son, a father, a brother, a uncle, cousin, and friend is lost and will be greatly missed. While we may never understand why it was his time, we can take comfort in knowing that he is in the arms of our creator and with all of those who went before him. We can gather to celebrate the life he had and the man he was. “And He said unto me, “My grace is sufficient for thee: for My strength is made perfect in weakness.” Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me.” II Corinthians 12:9

“ I work with Doug's fiancée' Terri Hensley. My heart and prayers go out to her and his daughter Marissa. Doug worked across the street from our office and my first memory of him is him making an "I Love You Terri" sign and propping it up outside his business so we could all see it out our office window! He was grinning from ear to ear and waving at us! He will be missed.
