“ Dearest Kathy, I cannot tell you how sorry i am to hear about Doug. Although we may have only seen each other a couple of times a yr. You both are family. As I look at his picture and his smile I am reminded of who he was, a genuine person, fun, easy going, and a loving man. Nothing will take that away. Cherish all of your times together and the stories you will never forget and now share. He will rest peacefully with you and his family forever in his heart. I am so sorry but with my work schedule I cannot be there this evening. Please know I am with you and hope to see you soon. God Bless you and keep you strong. Mom sends her prayers and love. Love  
Ida Marie
