“ My sympathy to all of you who cared about Doug. Doug and I met 17 years ago on a bus to Nashville, IN to see Charlie Daniels in concert in Brown County which we won tickets. My 7 yr old daughter & I sat in the seat in front of Doug & Barry. We had a great time & sat together on the trip home. We have been friends ever since & hung out together at the tavern down the street. Once I had some troubles & he gave me a place to sleep. He gave me bags of apples he picked. He gave me vegetables from his garden & a ride home if I was stranded. We had many a good time. A friend called today Sunday & told me of Dougs passing. Very sorry I didn't know sooner so I could have paid my respects. Doug was a kind & generous friend. Sincerely, Leigh Ann Schattner
