“ I would like for all of you to know how much Doug meant to me. Growing up in 4-H Doug was there to lend me any helping hand he could. Doug was someone that I looked up too and I thought of him as a very great friend. To Chris I always thought of you as another brother. Remember that your dad will always be looking after you. My thoughts and prayers are with all of you.

“ We have many wonderful memories that involve Doug, Alfa, his children and the 4-H community. We are thankful for knowing and calling Doug a friend. He was always willing to help advance the local 4-H program with new ideas such as the pre-show, club picnics, halloween parties, volunteer work at the fairgrounds, arranging transportation for those who did not have their own, as well as so many other contributions to his community. We will miss him dearly. Clayton and Mary Haehl
