“ Dear Moneyhun family, I know this is a little late but I was reminded by my father of what I should do. My dad Jimmy and Dr. where good friends when they where little. My dad remember playing soliders with Dr. and haveing a great time. They went through school together and Dr. became our family Dr. until he could not. They where at a reunion talking about the old times and how times have changed. Please accept our condolences and prayers to your family. We know a great man is now in the hands of God playing wonderful music.

“ What good memories I have of Dr. Moneyhun! When I needed a different doctor, he was recommended to me by a colleague. High praise indeed! He was always kind and caring and seemed to have a constant twinkle in his eye. When it was obvious that I was in for some very serious surgery, his hand on my shoulder seemed to say that everything would be OK. I will miss him!

“ Dear Marilyn and family, I pray that the loving presence of God and his son Jesus will comfort you through this sad time as you grieve for James. My late husband Gene and I were privileged to know the Moneyhun family at First Presbyterian Church during the 12 years we were members. James was a truly good Christian in all his ways. I would be glad to hear from you, especially if you feel the need to talk with someone who has been through this transition. My number is 649-8050.
