“ There are so many things that I could think of right now to tell you. How much I love you, how proud of you I was, and so much more. You were the best brother a girl could have asked for and although I only got to spend 25 years with you, they will be 25 years of memories I'll never let go of. Thank you for teaching me so much in life like loving baseball, learning to bowl, how to drive, and how to always wear a smile. Your smile could brighten anybody's day. You were my best friend from the day I was born and you will always be. I know that you are with me and you are always listening and watching over us. I got your handwriting tattooed on me yesterday from one of the many letters I've kept with baseball seams. I don't think Michael could have worked up something better in your remembrance. I know you would love it. Please continue to watch over me, Mom, Dad, and the dogs. I promise to always take care of Tebow and love him like you did.

Love always,
Your sister.

You probably don't remember me but I knew Dustin from Frankton HS. What a wonderful tribute to Dustin. He was always one of the sweetest and kindest people you would ever want to know. I know he loved you and your parents and of course his fur babies. He talked about you often. I ran into him a year or so ago and he hadn't changed. He was the same sweet guy he always was. His smile was as big as ever. He was always friendly and kind to everyone. My heart breaks for you and your family. I was shocked to see this. I do believe that he will continue to live on through his family. I pray for you and your family for strength in the days ahead. May God bless you and comfort you always.

“ To all family and friends, I am so sorry for our loss. I will defiantly miss my cousin Dustin. I know we didn't see each other much only at Thanksgiving and Christmas, but I just knew he was always around. He did help with my Uncle Greg his dad one day bring a big screen tv to my house and that was just how he was always willing to help when you needed and that is what I will miss the most. Rest In heaven Dustin and you will always be missed. Love you, from the Love Family!!!

“ I (Jim) remember a particular baseball draft and was talking it over with Sue. She said you need to draft that kid (she didn't know Dustin) because of his pretty smile. I did and it was simply one of the best times ever. Always smiling and giggling even as a teenager. The world lost a bright spot but heaven added a star. Hugs and prayers. Jim & Sue Roundtree

“ I remember what a nice boy he was when I lived next door to his parents, we would talk about the dogs Chili, and my Buddy who looked like brothers. He would lift Chili over the fence to play and make his day. So sorry for your loss, God Bless you and guide you at this time.
