“ I am very sad to hear of the loss of Dwain. He was one of the journeymen who I was assigned to during my tool & die apprenticeship. He trained me on the Leblond CNC Machining Centers. Dwain was a patient, excellent trainer. I looked upon Dwain as a friend, and he was kind to come to my Father's funeral ten years ago. I know he will be greatly missed by friends and family. May God comfort you as only He can, through this most difficult of times.
