Sharon, my heart is broken. I want you know the Lantz's are thinking of you. Brian told me to let you know he sends his love and he has been thinking about you and Bruce. I can't even imagine what you are going through. I do know Dwayne will always be watching over you like you have always watched over him. You are a great momma and he appreciated everything you did for him...So many memories...I will be out of town this weekend and will not be able to see you in person.
