“ I had the pleasure of working with Dwight at Kittle's. For a short time we worked together making deliveries; he always had a way to make the job easy, and you couldn't help but smile or laugh. Dwight always told the best jokes. I didn't get to see him often since he drove a semi, but whenever I did see him he'd say "hi buddy" and shake my hand. He was a great guy and a good friend, and I'll miss him. I just wanted you to know how special he was to me.
