“ I am Kathy Tudor's her maiden name mother and Vanessa's grandmother and I want to extend my loving thoughts and prayers to the family of Virginia. I knew her to be a giving and caring person over all the years I knew her and she was ,in my estimation, one of the most devoted mothers I have known. Even to those she thought of as her "children and grandchildren". She gave so much of herself to everyone she knew and I am sorry to learn that she has gone. She will be missed....May you find comfort in this time of sorrow in the memories of her untiring devotion to all she loved...tressa

“ *In beloved memory of Virginia Blueher So many times you met people People who fill a void in your life But not very often Do you meet someone That fills so many voids for so many people In so many ways You needed a Friend A listening ear Sometimes good advice Or just a bottle of beer Maybe a good laugh To tell a good joke Odd jobs for quick cash Or you needed some smokes Your daughter is sick Your diapers are gone You need a night Out Just to hear an old song A crying wife An Easter Egg Hunt A pretty new dress Or a meatloaf lunch A Bed for the night An apartment to rent A sack full of groceries A card that needs sent You're afraid of the dark Or maybe the storms Your children need Christmas A new baby is born Some holiday Cheer A breakfast at Frischs You need help with your wedding Too many dirty dishes A glass of tea A game of aggravation Your washer is broke Ice cream from the station To take care of your mother And maybe her friend Box of chocolate at Bedtime Get well cards to be sent No matter when it was No matter what you were doing You were always there To give us some soothing You'll never be forgotten You'll be sadly missed To have you in our lives We've been truly blessed There were so many things That you always did You truly were "The Wind Beneath our Wings"*
