“ We lived next to Mr. Fisher in 1993 for a year during our short time in Anderson. I always remember him reading on his porch with his cat Blacky close by. He even went to our school and was our adopted grandfather on Grandparents Day. I will always have fond memories of him. Even though almost 30 years have passed, I will always remember his kindness, his wisdom, and his caring nature. He was truly a wonderful man.

“ Gene was a great neighbor and a wonderful friend. We had many nice chats on his front porch in the evenings. He loved all the neighborhood children. My children looked up to him like a grandfather. We moved away in 1997 but I kept in touch with him by phone and visits when we were back in the area. Heard he had died, just wanted to let his children know how much he meant to me and how blessed they were to have him as a father. Gene was a wonderful person. I will never forget him.
