“ *You will always be a strong part of me. So much of life's hidden knowledge is embedded in me, because of you. You were the neighbor and friend every man wishes he had...Always there for that simple wave or to share a beer over a political chat. I had no idea how lucky I was when I bought the house next to you 18 years ago. It became my only thought to be there for you as duty calls. I will forever miss you, and the simple conversations we had. Rest in peace my friend. I look forward to the day I see you again.*
