A beautiful collection of time on this earth with loved ones. Mom, How I miss you already. I know one day we will be together again. All of who I am is because of your unconditional love for me. Until we meet again, you have given me such beautiful memories to cherish forever. Love, Dawn.

I worked with your mom many years ago and also we spent a lot of time together outside of work. I just loved her, she always made me laugh, was always upbeat no matter how busy we were! She was so sweet and always talked about how much she loved her family. I am sure all of you will miss her so much, my thoughts will be with you all during this very sad time and I hope your memories will help during this time! She was a beautiful lady inside and out!
